

ENACT INVITES YOU TO

EXPERIENCE A LIFE-CHANGING WORKPLACE

With the greatest team you've never heard of

“Being at EnACT has changed my life in every regard. I've evolved and grown into the person I would have only dreamed of being years ago.”

—Katharine

NOT JUST A JOB. IT'S A LIFESTYLE.

We're a team of urban educators who love designing life-changing learning experiences. We teach SAT prep to students in need.

FIND PURPOSE & BELONGING.

"For the first time in my adult life (and maybe ever), EnACT gave me a community of people I finally feel at home with, a community of people who support each other, have fun at work, work unbelievably hard, and are committed to making a massive impact." —Sorscha

EXPERIENCE ENDLESS GROWTH.

"No other team on this planet has the culture and growth that we do. The self-work never stops. You will **evolve** as a **human being** on a level that you didn't think was imaginable." —Nikki

HAVE FUN AND BE YOURSELF.

"Our team is incredibly high-performing and growth-oriented, and we are laughing about 40% of the time. Show me a place that can blend the two as well as we do, and I'll give you a lollipop." —Myles

"I've worked in 6 different school districts across metro Detroit, and none of them have the tight camaraderie, empathetic leadership, or **fun and freeing culture** that we have." —Steve
